# insideARM.com Offers Innovative Services For The Accounts Receivable Management (ARM) Industry

**PRWeb**

January 15, 2007

Bethesda, Md. (PRWeb): January 15, 2007 -- In late December of 2006, CollectionIndustry.com, a well respected website in the accounts receivable management industry, underwent a major transformation. The site re-launched with significant improvements as well as a new name: insideARM.com

([www.insideARM.com](http://www.insideARM.com)). In addition to many upgraded features, Strategic Members of the enhanced site gain access to unparalleled levels of ARM market analysis via Kaulkin Ginsberg's Research Bank and short answer service.

'I'm excited to be a part of this new phase in electronic service offerings for the accounts receivable management industry,' said Paul Legrady, Director of Kaulkin Ginsberg's Research Group. 'ARM executives need research to support their strategic business decisions, and with Kaulkin Ginsberg's Research Bank, that support is easily accessed through insideARM.com.' The Research Bank currently grants Strategic Members full access to the content of seven Kaulkin Ginsberg research publications. Additional proprietary research will be added regularly.

insideARM's short answer service is also unrivaled. It provides subscribers with the opportunity to submit written questions to the Kaulkin Ginsberg advisory team on a broad range of ARM-related topics, such as M&A, technology, human resources, operations, debt purchasing, and many other strategic matters. A member of the Kaulkin Ginsberg team will respond as quickly as possible\*, depending on the type of question submitted.

In addition to these new offerings, insideARM features expanded content, easier navigation, helpful tools, and an updated design. The website publishes five newsletters including the ARM Insider and Debt Portfolio Update. These publications are available on a complimentary basis to all insideARM subscribers. Interested parties may register at [www.insideARM.com](http://www.insideARM.com).
