Dear Mike:

Our purchase of Elite Recovery's assets is completed. For me, this purchase is undoubtedly a significant transaction in terms of the professional and personal magnitude it encompasses. I have you and your team to thank for its ultimate success.

Just when we thought the deal was off the table, you came through with exceptional business insight, skilled facilitation and the emotional energy to see it come to fruition. As former owner and founder of Account Solutions Group, I couldn't be more impressed with your professionalism and graciousness. I respect the depth of effort on your part.

Accolades are also in order for you and your firm. Expertly, you managed a very complicated transaction. Our new agency, Greystone Alliance LLC is off to a great start and we look to continued growth in the years to come.

Please convey my appreciation to Michael Lamm, without his dedication and perseverance this deal may not have been realized.

I extend my genuine gratitude and congratulations.

Very truly yours,
